

JHA Companies Acquires Glace Associates

June 14, 2024

JHA Companies is thrilled to announce that we have completed the acquisition of Glace Associates, a highly regarded environmental services firm based in Camp Hill, PA. This strategic move marks a significant step forward for JHA Companies, strengthening our commitment to providing exceptional service and common-sense solutions to clients across the Commonwealth of Pennsylvania.

The addition of the Glace Associates team will bolster JHA's Environmental Services Team, enhancing our capabilities and expanding our reach throughout the region. The Glace Associates team, including key personnel, will join forces with JHA, ensuring a seamless transition for clients and maintaining continuity in service delivery.

"We are excited to welcome the talented professionals from Glace Associates to the JHA family," said Travis Long, VP & Director of Environmental Services at JHA Companies. "Their expertise, dedication, and strong reputation in the water/wastewater industry make them an ideal fit for our team. Together, we will continue to deliver exceptional consulting services to our clients."

Founded in 1983, Glace Associates has built a solid reputation for its expertise in planning, design, operation, construction management, administration, and financing of civil, environmental, facilities, sanitary, solid waste and water resources engineering projects for both municipal and private clients. The firm's commitment to excellence and client satisfaction aligns seamlessly with JHA's core values, making this acquisition a natural fit for both organizations.

"We are pleased to join forces with JHA Companies to better serve our clients and pursue new opportunities," said Max Stoner, PE, Owner & President at Glace Associates. "Together, we will leverage our combined strengths to deliver even greater value to our clients across Pennsylvania."

As part of the acquisition, JHA Companies will maintain Glace Associates' office in Camp Hill, PA, ensuring continued local support for clients in the region. The combined team will work collaboratively to uphold the highest standards of professionalism, integrity, and quality in all aspects of their work.

Additionally, Max Stoner, PE, will serve as a Senior Project Leader and Peter Fleszar, PE, will serve as Project Leader, bringing their expertise and leadership to further enhance our capabilities.

This acquisition will allow better service to clients from Glace Associates by leveraging the additional support staff and expertise of the JHA team. Together, we will provide comprehensive solutions and unparalleled service to meet the diverse needs of our clients.

Stay tuned for updates on our progress and exciting projects as we embark on this new chapter of growth and collaboration. We look forward to continuing to serve our clients and welcoming our new colleagues to the JHA family.
