

## **HALLE CAPITAL-BACKED TRUE ENVIRONMENTAL ANNOUNCES ACQUISITION OF SPHERE 3 ENVIRONMENTAL, INC.**

*June 17, 2024*

Sphere 3 Environmental, Inc. (“Sphere 3”), a full-service environmental consulting firm, today announced that it has joined True Environmental, Inc. (“True”), a platform focused on collaborating with founder and employee-owned environmental consulting and engineering firms to provide capital and management support solutions to accelerate growth and facilitate seamless ownership transitions. The union further enhances True’s mission of building a best-in-class environmental consulting and engineering platform.

The founder of Sphere 3, Gayle Kirkland, expressed her enthusiasm for the company’s partnership with True Environmental, stating, “Today marks a significant milestone in Sphere 3’s continued evolution. This partnership aims to invest in Sphere 3’s talented and dedicated team of professionals and aligns perfectly with our commitment to delivering exceptional value to our clients while complementing and expanding our service offerings with the additional resources, capabilities, and scale of the True platform. True Environmental is a group that shares Sphere 3’s values, respects our culture, and is committed to supporting our clients.”

Adam Black, Sphere 3’s new President, added, “This partnership provides a tremendous opportunity to build on the recognized achievements of our team. True Environmental’s expertise and suite of capabilities will greatly strengthen our service offerings and resources available to clients. By investing in our people and partnering with a group that shares our values, Sphere 3 is well-positioned to continue evolving and better serving our clients’ needs.”

“Sphere 3 has established an excellent company that focuses on engaging its employees and providing exceptional client service to private and public sectors. We are excited to collaborate with Gayle, Adam and Sphere 3’s management, including discipline leaders Crissy Forrest, Clint Scurlock, and Kerri Smith, along with the entire Sphere 3 team, to consistently deliver best-in-class solutions that address their clients’ intricate environmental problems,” said Jim Stamatis, CEO of True Environmental.
