**C1S Group Acquires Conquest Engineering**

Natick, MA (August 21, 2024) – C1S Group, Inc. (C1S), a leading provider of innovative engineering solutions, acquired Conquest Engineering, an engineering firm known for its excellence in healthcare, municipal, education, and industrial design.

The integration of Conquest Engineering into C1S unites two companies with complementary strengths and shared values. This acquisition expands C1S' market expertise, technical resources, and BIM services.

“We are thrilled to welcome Conquest Engineering to the C1S family,” said Julie Strong CEO of C1S Group. “Their reputation for quality and innovation aligns perfectly with our mission, and together, we will provide exceptional design services to a diverse array of markets. This acquisition is a significant milestone in our growth strategy and is indicative of our continued commitment to providing great careers while delivering unparalleled service to our clients.”

“Joining forces with C1S Group is an exciting opportunity for our team and our clients,” said Grant Claussen, Director of Engineering of Conquest Engineering. “We share a common vision of excellence and innovation, and together, we will be able to achieve even greater success. Our clients will benefit from the expanded resources and expertise that this merger brings.”

Morrissey Goodale, a specialized management consulting and research firm exclusively serving the architecture, engineering, and environmental consulting industries, advised C1S Group in the transaction.
