Tocoi Engineering is now part of Baxter & Woodman, Inc.

Natick, MA (December 31, 2024) – Baxter & Woodman, Inc. announces the acquisition of Florida-based engineering firm Tocoi Engineering, expanding their presence in Florida to include four locations. Effective January 1st, 2025, Tocoi Engineering will operate as Tocoi Engineering, a Baxter & Woodman company.

Lou Haussmann, President of Baxter & Woodman, stated, “Both Baxter & Woodman and Tocoi Engineering share a passion for turning ideas into reality. This collaboration enhances the level of service and innovation we bring to our projects and strengthens our ability to meet the evolving needs of Florida communities.”

Laura Mahoney, President and co-founder of Tocoi Engineering with John Mahoney, added, “The services our clients receive today and the staff they work with will remain the same. By joining Baxter & Woodman’s 400+ professionals, we can expand our reach to offer an even broader range of services, including GIS, structural, wastewater and water treatment, instrumentation and controls, trenchless technology, and transportation planning and design.”

Baxter & Woodman operates four offices in Florida and thirteen additional locations throughout the United States, reinforcing their commitment to providing exceptional engineering services nationwide.
